

## *What does this body language mean?*

Choosing to sit at 90 degrees from you at a meeting table

Standing sideways on to you, but with one foot pointing towards you

Touching nose after a statement

Putting pen down when you come into their office to talk to you

Fiddling with hair

Picking lint off their clothing

Hugging clipboard to chest

Two people in identical poses while talking

Neck scratch while listening

Ear rub while listening

Finger on side of face/cheek

Finger on side of face, thumb under chin supporting weight of head

Chin stroking

Putting one hand on thigh, while sitting

Hands on hips

Chin down

Glasses removed when speaking / when listening

Standing with body sideways to you but with head turned to face you

Rubbing eye while talking

Holding pen with two hands
